Student QuickStart Guide - MathZone

First Time Registration

1. Go to www.mathzone.com and click ***Students***
2. Under ***Join a Course***, Enter section enrollment code (8 digit alpha numeric code provided by your instructor) Example: F3D-8F-496
3. Click ***Next>>***

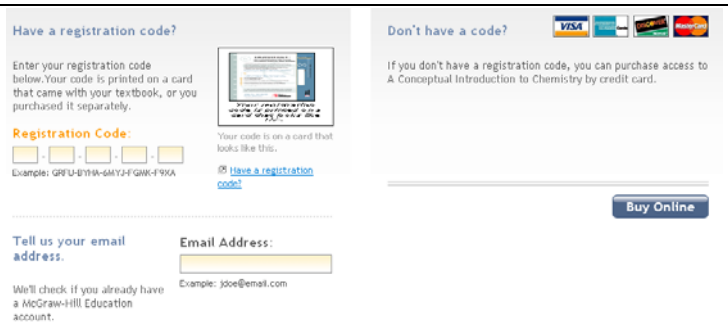
Note: Without enrolling in a course, you can still access resources to use MathZone as a self-study tool by clicking **Next>>** in the ***Register for Self-Study Resources*** box. Follow on screen instructions.

4. Enter your Registration Code
   20 digit alpha numeric code
   Example: GRFU-BYHA-6MYJ-FGMK-F9XA
5. Enter your email address, and click ***Submit***.

Returning user? Enter your password, Click **submit** and skip to step 8.

N**ew user**? Create an account (step 6)

NOTE: If you don't have a registration code, you can purchase access online by clicking ***Buy Online*** button.



Create Your Account

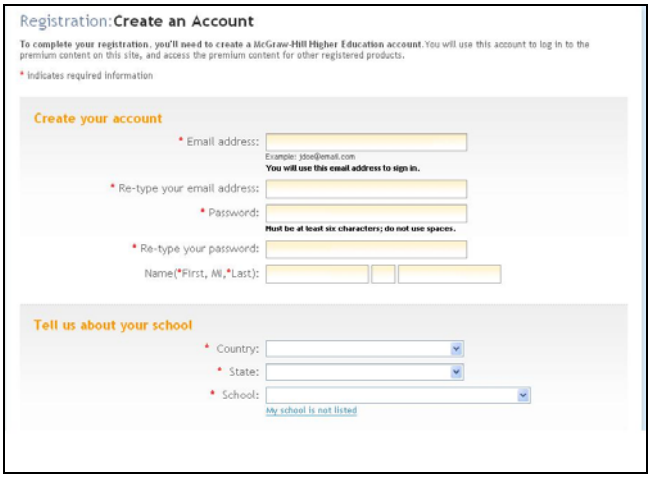
6. Enter your e-mail address and create a password. You will use this information, rather than the registration code, as your future username and password to gain access to the course, so you might want to record it here:

Your Email (Username):_____

Your Password: _____

7. Next, you will be asked to provide the name of your school, create a security question and accept the terms of the service agreement. At the end, click the ***Complete My Registration*** button.

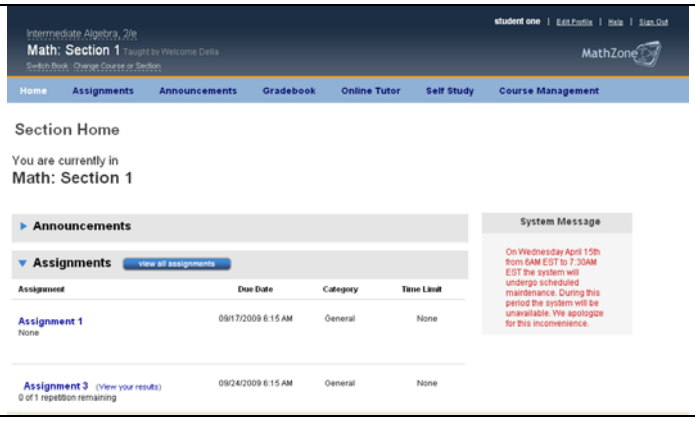
You are now registered for MathZone



Assignments/Navigation

8. You are now inside your online course.

To access a full list of your instructor assigned assignments, click on the ***Assignments*** Tab on the Navigation bar.

To Access self-study material, click the ***Resources*** tab and select your desired chapter and/or section.


The top navigation bar contains link links to Assignments, Announcements, Gradebook, Online Tutor, Resources and Course Management.
